CHANGING PLACES TOILETS

Opening up to a world of
poss-ability

WHAT ARE CHANGING PLACES?

Changing Places are accessible toilet spaces in publicly accessible areas which have equipment and space for disabled users to meet their personal care needs.

ARE THEY A LEGAL REQUIREMENT?

Changing Places are governed by the British Standard Design of an accessible and inclusive built environment.

The standard “brings diverse advice together to provide a definitive source of authoritative recommendations on the inclusive and accessible design of buildings”.

WHERE ARE THEY INSTALLED?

Changing Places toilets should be provided in larger buildings and complexes including,

Major transport termini or interchanges

Motorway services

Sport and leisure facilities and large hotels

Visitor attractions, holiday parks, country parks

Cultural centres, museums, concert halls and art galleries

Stadia and large auditoria

Shopping centres and shopmobility centres

Town halls, civic centres and public libraries

Educational buildings

Hospitals, health centres and practices

WHO ARE THEY FOR?

Over ¼ million disabled people in the UK need extra equipment and space to use a toilet safely and comfortably away from home. Changing Places have all the specialist equipment they need to use the toilet safely and with dignity.

WHAT EQUIPMENT IS NEEDED?

Along with the items you would expect to see in a standard disabled toilet, Changing Places toilet also require the following specialist equipment supplied by Multicare,

Ceiling/Mobile Hoist

Adjustable Height Changing Bench

Wash Basin
(Preferably height adjustable)

Peninsular Toilet

Privacy Screen
